

Investing for Success

**Under this agreement for 2018
Maidavale State School will receive**

\$5,296*

This funding will be used to

- Increase the percentage of Prep to Year 6 students achieving an A-C level of achievement in English, Mathematics and Science from 50% (2017) to 100% by the end of 2018.
- Increase the percentage of students achieving an A-B level of achievement in English, Mathematics and Science from 40% (2017) to 50% or above by the end of 2018.

Our initiatives include

- Develop, implement and embed a new whole school curriculum and assessment plan V8 using the multi-level planner (Australian Curriculum, P-12 CARF).
- Implement a whole school approach to unpacking each unit with release teacher – focusing on pedagogy and differentiation (Maker Model, Dimensions of Teaching and Learning).
- Develop and implement moderation processes using the Assessment and Moderation Hub.
- Use the Literacy continuum/Early Start materials across Prep to Year 6, to identify students' skills and knowledge to track progress and focus on the next steps for teaching/learning.
- Review the requirements of P-12 CARF and share with staff.

Our school will improve student outcomes by

- Provide professional development for staff on P-12 CARF, with a focus on differentiation for all students; skills to use data to identify the learning edge for each student, to inform the next step for teaching/learning: **TRS \$1 296**
- Allocate TRS to support year level unit unpacking and moderation: **\$2000**
- Purchase additional teacher support to assist with focused intervention: **\$2 000**
